Sir:

I am Jean-Francois Chalumeau, a named inventor in the above-identified patent application and its corresponding international application (PCT/FR2004/001597, published as WO 2005/001786). Therefore, I support the removal of my name as an inventor in the application. Further, my naming as an inventor in the international application was an error and occurred without deceptive intent.

Respectfully submitted,

REPLY TO NOTIFICATION OF DEFECTIVE RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Notification of Defective Response mailed September 14, 2007, in the above-identified patent application, alleges that the Oath or declaration does not comply with 37 C.F.R. § 1.497(a) and (b) because the second inventor, Jean-Francoise Chalumeau, was not listed and has not signed the declaration. Applicant respectfully submits that Jean-Francoise Chalumeau has been listed as an inventor in error. Applicant files herewith a Request to Correct Inventorship to remove Jean-Francoise Chalumeau as an inventor. Bernard Claveau remains the only inventor in this application. Therefore, the declaration filed April 2, 2007, listing Bernard Claveau as the sole inventor is proper.

In the event there are any questions relating to this Reply or to the application in general, it would be appreciated if the Examiner would telephone the undersigned attorney concerning such questions so that the prosecution of this application may be expedited.

Please charge any shortage or credit any overpayment of fees to BLANK ROME LLP, Deposit Account No. 23-2185 (124544-00101). In the event that a petition for an extension of

time is required to be submitted herewith and in the event that a separate petition does not accompany this response, Applicants hereby petition under 37 CFR 1.136(a) for an extension of time for as many months as are required to render this submission timely.

Any fee due is authorized above.
